

JOHN M. SMITH PROP- ERTY SOLD MONDAY.

The public sale of the property of John M. Smith, by order of the bankrupt court, occurred Monday. The high prices at which all the property sold was a compliment to the real-estate values of Dickson.

G. W. Dodson, Dickson's popular auctioneer, presided "at the bat" and made a "home run" on each sale. There were about \$12,000.00 worth of property sold, and the bidding was lively thruout the entire sale.

The first of the property sold was the Smith home-place on College Street, which was bid in by John M. Smith at \$1,350.00. The residence now occupied by D. W. Carter was next sold, and bid off by Mrs. J. C. Foster at \$2,325.00. The old Sanford property on North Main Street, now occupied by Rev. E. L. Gregory, brought \$1,605.00, and was bid in by W. G. Petty. The Harrison residence, near Leathers' factory, was bought by A. H. Leathers for \$800.00. Two hundred and fifty acres of land about two miles north of Dickson was bought in by S. E. Hunt at \$1,600.00. Three lots in the Dotson & Horner addition on the Yellow Creek pike were bought by Mr. Adkins at \$110.00. Three other lots in the same addition were bought by J. W. Brown for \$105.00. Another lot in the same addition was bought by J. T. Holley for \$42.50. John Leathers bought a lot on McCreary Heights for \$53.50. J. T. DICKSON COUNTY BOYS OFF FOR TRAINING CAMP

Farewell for the Soldier Boys Affecting— Tears, Cheers and Kisses Mingle In Send-off Given to the 62 Men.

ROYALLY ENTERTAINED IN AFTERNOON

With the good wishes of the homefolks still ringing in their ears, and with the pleasant memories of a happy afternoon spent as the guests of the United Daughters of the Confederacy, Parent-Teachers' Association and the Business Men's Club, the sixty-two young men who were chosen to make up Dickson County's second contribution to Columbia's fast assembling liberty army left Dickson Wednesday evening about 9:00 o'clock for Camp Gordon, near Atlanta, Ga.

At the roll-call at 9 o'clock, 61 of the 62 who were notified to be present responded to the calling of their names. The absent one was Bennie Tipton, who is in Mississippi, and did not receive his notice in time to get here. His place was filled by Thomas Dickson Dunaway of Charlotte.

At the conclusion of the roll-call, Joseph Ferguson, of Slayden, was selected to have charge of the boys from the time they left here until their arrival at Camp Gordon. Gilbert Freeman and Ellis Schmittou were appointed as Lieutenants to assist Ferguson.

Truly, the boys were sent away with a smile. In an afternoon crowded full of interesting events, the citizens of Dickson and Dickson County made known in no uncertain way the fact that they were highly appreciative of the services which the "lads" are about to render, and that their best wishes and prayers for a safe return accompanied the departing soldier boys.

At three o'clock the boys were loaded into automobiles and given a "joy ride" over Dickson and out the Yellow Creek pike five miles and back. Then they were taken to the Courthouse, where after invocation offered by the Rev. W. W. Woodcock, short but interesting talks were made by Col. R. J. Kelly, Mons. S. E. Hunt and Pitt Henalee, Rev. B. F. Isom and Prof. R. E. Smith. This part of the program was presided over by Oury Harris, President of the Dickson Business Men's Club.

At the conclusion of the speaking, the U. D. C. and Parent-Teachers' Association served lunch, consisting of sandwiches, pickles, cake, coffee and watermelon, to the boys.

Fully 1500 persons were at the depot at the time of the departure of the train which carried the boys away, and touching indeed were some of the scenes when mothers parted with their sons, wives with their husbands and young ladies bade their lovers good-bye.

During the last few minutes before the train pulled out, tears and cheers mingled together as the farewells were said to the 62 youths who were off to "do their bit" for Uncle Sam.

Revival Brought to Close.

Sunday evening marked the close of the series of union meetings which have been in progress at the First Baptist Church for the past two weeks. Dr. Jno R. Gunn, of Nashville, who has been doing the preaching, chose as a subject for his final message, "The Judgment." An audience that "packed" the building followed him closely while he propounded the gospel truths, and this discourse was among his strongest messages delivered in the series of meetings. Sunday afternoon he spoke on "The Immortality of the Soul."

The revival, which was under the auspices of the Minister's Association of Dickson, was not as far-reaching in results as those in charge had anticipated, nevertheless it served considerably to renew among those already "within the fold" a faith for more active service in the Christian religion.

SURVEY CORPS NOW NEARING DICKSON.

The Memphis-to-Bristol Highway survey corps have reached Burns and are now at work between that place and Dickson.

Another corps of engineers are at work, having begun in Benton County, and are working this way, and as soon as the survey is completed the estimates, etc., will be sent to Washington to be approved by the Government Highway Commission, and then the State Highway Commission will be ready to let contracts for the construction of the road, which will probably be about the first of the year.

We understand that it is the intention of the Commission to let several contracts in the building of this highway, and when the work is once begun it will not take long to complete it.

Presbyterian Church Notes.

On Monday evening, a good audience assembled to attend the entertainment of the Westminster Guild. Those who took part were in appropriate costumes and represented the different countries well. No doubt the members of the Society will be able to carry on their work with more success, and the influence of such a Missionary program will be most helpful in time to come. The different participants gave most impressive pleas for the people of the lands in darkness and need. Many flowers and plants added to the beauty of the decorations of the stage, and all showed that time and thought had been given to it.

Special meetings will be held at the St. Paul Church beginning on Monday, October 1st, 7 p. m.

Services for September 23rd will be held in the Dickson church as follows: Sunday-School at 9:45, preaching at 11 a. m. and 7:30 p. m., and Christian Endeavor at 8:00 p. m.

The Presbytery of Nashville will convene at the Home Church, near Lebanon September 25, at 7:30 p. m., and continue for three days.—The Pastor.
